FINDING NEVERLAND

SUBSCRIBE TODAY AND SAVE!
Spring has finally come to Central Wisconsin—even if we weren’t sure it would during the month of April—and that means it is time to unveil another exciting season here at The Grand! The 2017-18 Season has certainly been a memorable one, with a record-setting 18 sellouts, recognition as one of Pollstar’s Top 150 Theatres in the World, and performances from incredible artists across genres.

We’re just as excited about our 2018-19 Season, which brings 24 world-class performances to the stage. For The Grand’s 90th Anniversary, it is only fitting that it is truly a season of legendary shows and performers: Legendary Broadway (The Sound of Music, Rock of Ages, Finding Neverland), Legendary Country (The Oak Ridge Boys, Tracy Lawrence), and Pop and Jazz Legends (Don McLean, Branford Marsalis). All of this, plus two of the hottest-selling shows in the world (The Illusionists, Postmodern Jukebox), and 15 other incredible shows that truly offer something for everyone.

We are so grateful for the support of our donors, sponsors, volunteers, and of course all of you! We hope you enjoy the upcoming season and look forward to seeing you at The Grand!

At just 23 years old, ACM New Female Vocalist Award Nominee RaeLynn is undoubtedly the next big thing in country music. Since her debut on NBC’s *The Voice* at age seventeen, she has become one of the highest-selling female country artists in recent years.

RaeLynn’s #1 hit single “God Made Girls” was the highest-charting debut single by a female artist upon its release. Critics called her debut album *WildHorse*, which featured the hit single “Love Triangle,” an “exceptional breakthrough” after it immediately reached #1 on the Billboard Country Album chart. “Queens Don’t,” off her new album, was yet another Top Ten hit earlier this year.

Don’t miss the Central Wisconsin debut of the hot new artist critics say will soon be “propelled to country super-stardom.”
