The Grand Announces the 2019-20 Truck Country 10x10 Series

WAUSAU, WI – April 26, 2019 – After an incredibly successful season with 7 sold-out shows, The Grand Theater is thrilled to announce the first artists of the 2019-20 Truck Country 10x10 Series.

The popular series, made possible by the generous support of Truck Country, allows audience members to share the stage of the historic Grand Theater with emerging artists in a unique, intimate atmosphere. The upcoming Season will feature eight performances from artists across the country and across genres. Three of the shows for the 2019-20 Season were announced at the sold-out final show of the 2018-19 10x10 Series: Them Coulee Boys, Halie Loren, and the Huntertones.

The Western Wisconsin bluegrass band Them Coulee Boys kick off the 2019-20 Season on October 4 with their carefully crafted brand of Americana that blends punk, bluegrass, and rock & roll. Pop-jazz singer Halie Loren will take the stage on November 22 to showcase her smooth, smouldering vocals and emotional songwriting. On April 9, the Series will feature the Huntertones, who have toured over 20 countries with their high-energy, horn-driven sound that bends genres. The remaining five shows of the Series will be announced later in the year.

Subscriptions to all eight shows in the 2019-20 Truck Country 10x10 Series are available now. Reserve a four-top table to every show for \$450 or a two-top table for \$225 to get eight guaranteed unique and special concert experiences. Space is limited, and all new subscriptions will be processed in the order they are received, following all renewal orders. Order forms are available at www.grandtheater.org and can be submitted at The Grand's Ticket Office in Downtown Wausau.

Single tickets to each of the 10x10 Series shows are \$10, and will be available for purchase starting on July 9, 2019. Contact The Grand's Ticket Office at 715-842-0988 for more information.
