ARTS IN  
EDUCATION  
SERIES

***Celebrating three decades of engaging students, The Grand is proud to present the 2020/21 ASPIRUS Arts In Education Series!***

The Performing Arts Foundation is dedicated to serving schools, teachers, and students of the region through educational and cultural experiences, and works closely with local and national partners in fulfillment of that mission. Through the ASPIRUS Arts In Education Series, The Grand brings curriculum-based performing arts to our area's students, exposing them to the arts, social studies, language arts, math, science, and more. The series ensures the arts remain accessible to our youngest patrons in public, private, parochial, and home schools.

**Workshops** - Bringing main-stage artists into schools and classrooms of our community, workshop activities vary from small, intimate performances to master classes with participants.

**Residencies** - Taking the idea of workshops further, residencies immerse an artist in our area for multiple days. Their time in Wausau is spent educating and engaging with the community through workshops, outreach events, interviews, pop-up performances, and so much more.

**Access to the Arts** - These scholarships make it possible for students who cannot afford a ticket to attend performances. If a teacher certifies that a student cannot afford a ticket, The Grand will cover the cost with our Access to the Arts Scholarships.

**Jerry Awards** - Returning to North Central Wisconsin for its fifth year, the Jerry Awards encourage, recognize, and honor excellence in high school musical theater across Wisconsin.

**Central Wisconsin Jerry Ensemble** - This premier performance group features students from across the region, building their technical stage skills and giving them performance opportunities across the state.

**Dog Man: The Musical** is a hilarious new production based on the worldwide bestselling series from Dav Pilkey, the creator of Captain Underpants.

Best buds George and Harold have been creating comics for years, but now that they're in 5th grade, they figure it's time to level up and write a musical based on their favorite character, Dog Man. How hard could it be to write a musical about the crime-biting sensation who is part dog, part man, and *all* hero? With the head of a dog and the body of a policeman, Dog Man loves to fight crime and chew on the furniture. But while trying his best to be a good boy, can he save the city from Flippy the cyborg fish and his army of Beastly Buildings? Can he catch Petey, the world's most evil cat, who has cloned himself to exact revenge on the doggy do-gooder? Find out in this epic musical adventure featuring the hilarity and heart of Dav Pilkey's beloved characters.

## Anne Frank

“Voices from the Attic”

### CURRICULUM CONNECTIONS:

Language Arts  
Social Studies

You have never heard *The Diary of a Young Girl* told quite like this. Anne Frank's historical account of her time in hiding in Nazi Germany is presented in her own voice, but with the supporting characters in her story played by a multi-ethnic ensemble that includes survivors of the 1915 Armenian genocide, the Bosnian civil war of the 1990s, and the ethnic cleansing in Rwanda.

**Anne Frank: Voices from the Attic** demonstrates how the Frank family was one of many families throughout history who suffered at the hands of ignorance and hatred. In each case, these survivors overcame their ordeals by embracing Anne's philosophy of "thinking themselves out" of their situation, and they celebrate her resilience and her refusal to give in to hatred.

This powerful production is designed to spark discussions about the many faces of genocide, and to show just how easily the flames of ethnic hatred can spread until they're beyond control.
