Inspiring true story:
COME FROM AWAY

A thankful holiday season and exciting New Year

As the 96th year of our historic theater comes to a close, we have much to be thankful for, as it has been another outstanding year: Over 135,000 patrons came through our doors, we were recognized again as one of Pollstar's Top 150 Theaters in the World, and brought world-class artists from across genres to the stage of The Grand. We thank all of you who have supported us this year and made it such a success!

As the calendar turns, we are very excited about what the new year holds in 2024. From Broadway hits *Come From Away* and *My Fair Lady* to the mesmerizing *STOMP*, there are great shows for everyone! And we're thrilled to be rolling out digital ticketing as well, making your theater-going experience even better.

Thanks for your support of The Grand in 2023. Best wishes to you and yours for a wonderful holiday season!

Sean Wright

The origin of one of the most inspiring musicals of our time

On September 11, 2001 the world stopped. On September 12, their stories moved us all. *COME FROM AWAY* tells the true story of when 7,000 people from around the world landed in Gander, Newfoundland and the people of this small town "put the kettle on." While the world witnessed the worst acts of humankind, the stranded airline passengers had their faith in humanity restored by the spirited people who comforted those who had come from away.

This incredible, uplifting and inspiring musical began when writers David Hein and Irene Sankoff spent a month in Gander in 2011 for the tenth anniversary of 9/11, meeting with the locals, returning flight crews and pilots, and returning "come from aways" (a local term for visitors from beyond the island) who gathered to celebrate the hope that emerged from tragedy. The people of Newfoundland

are incredible storytellers, and the husband-wife writing team heard tale after tale of ordinary people and extraordinary generosity and hospitality. "We laughed, we cried... We made lifetime friends out of strangers and we came home wanting to share every story."

From there, Hein and Sankoff sorted through the interviews, documentaries, and letters from around the world to write the story, and developed the buoyant songs from Newfoundland's rich Celtic folk music tradition. *Come From Away* has won dozens of major awards, including the Tony for Best Direction of a Musical, and best musical acclaim across North America.

"Through this journey, we've learned it's important to tell stories about welcoming strangers and stories of kindness," Hein and Sankoff say about their project. "It's important to honor what was lost and commemorate what was found."
