Join our Grand journey into a new season and a second century

It's been another fantastic summer at The Grand, with incredible performances from Old Crow Medicine Show, Nitty Gritty Dirt Band, The Wallflowers and more. With those great shows and a record number of subscribers, we cannot wait for the rest of the 2025/26 season.

We look forward to so many great shows this fall, from the best of Broadway with The Addams Family and TINA, to the return of favorites Marc Martel's Queen tribute and comedians Colin Mochrie & Brad Sherwood, and especially Wausau debuts of bluegrass queen Molly Tuttle and comedian Dusty Slay... plus so much more! The fall also features the return of our amazing events that connect our community to the arts in a variety of ways, including Arts In Education, 10x10, and the Community Engagement Series.

We are most excited to continue sharing with you our transformative plans for The Grand's Second Century Campaign and how you can help us meet our fundraising goals. By this time next year, work will be racing to completion to restore our historic theater (and provide you with new seats), create a flexible second stage in the Great Hall, and make many more important enhancements throughout the block. We are grateful for your support and look forward to an amazing season!
